Allied Member Spotlight:

Over the past 10 years, Keys for the Homeless Foundation, Inc.'s (KEYS) mission has expanded to partner with more than 65 non-profit organizations providing homeless services in the Greater Washington, DC Metro Area and also provide direct support to individual men, women and children in need. The primary focus in this vision is to establish a "Welcome Stop" for different sectors in the community to merge together to obtain valuable information to better manage their needs. In this responsibility, KEYS carefully manages and stewards contributions donated by members of the hospitality industry, retailers and other concerned businesses to those who are transitioning from homelessness and poverty to self-sufficiency. KEYS believes that basic household goods are essential in facilitating progress towards an independent, productive and stable future.
