HAWDC Member Luncheon With Chief Newsham:

HAWDC is always working to maintain collaborative relationships with the District's Legislative and Executive Branches to ensure a better regulatory and legislative business environment for our members. As a part of this, we have a Member Lunch Series, in which we invite government officials to dine with our members and discuss issues that may impact their operations. We are pleased to announce that our next guest will be Peter Newsham, Chief of Police, Metropolitan Police Department.

Please join us as Chief Newsham discusses important topics such as crowd control in public spaces, crime prevention strategies, active shooter, theft, and ensuring our visitors are safe when they come to our city. HAWDC would also like to better engage working professionals within our member hotels to include assistant general managers and department managers, to ensure that our next generation of leaders have the right mentorship and support. So please extend this invitation to them as well.

Please see Upcoming Events to RSVP.
